

# VIRTUAL WORSHIP TEAM NIGHT!

**with Stephen Brewster**

**Thursday, May 14th 6pm-7pm**

Your dreams are  
the floor of God's  
plan for your life.

See - Jeremiah 29:11

.....  
Stop playing it  
safe. It is time to  
Lead, create, share  
And explore that  
Nudge you have  
been feeling.  
.....

Stephen is a creative leader. He worked in the music business for years finding artists, developing albums, and leading marketing teams. From there he moved into church leadership serving not just as a lead over creative but also on the executive team of multiple mega-churches across the country.

When he is not working with teams on ideas, marketing, music, leadership, organization and volunteer development, he hosts several podcasts, develops ideas, coaches creatives, and hangs out in downtown Franklin, TN where the Brewster family calls home.

**"If you're like me, you've always felt God's plan for your music was greater than you could imagine."**

Come hang out with Stephen and the rest of our team and talk about: **how you can grow creativity in all areas of your life.**

Don't miss it! It will be a great night of connecting with each other. Come be encouraged and challenged in your craft. Zoom details will be available soon.
